## ABOUT CONFERENCE

Welcome to the International Conference on Traditional, Herbal and Integrative Medicine, organized by Innovatex Conferences and scheduled for 10–12 May 2027 in Budapest, Hungary. Guided by the theme “Integrating Ancient Healing Systems with Modern Medical Science,” this event brings together global researchers, healthcare professionals, traditional medicine practitioners, scientists, and industry experts to explore advancements in holistic and integrative healthcare. The conference features focused scientific sessions covering herbal medicine, Ayurveda, Traditional Chinese Medicine, natural product research, integrative therapies, and evidence-based healthcare practices. Participants will engage in keynote lectures, interactive presentations, and poster sessions showcasing innovative research and emerging developments in traditional and complementary medicine. Set in the historic and vibrant city of Budapest, the event provides an excellent platform for learning, collaboration, networking, and discovering advancements shaping the future of integrative healthcare systems.
